C	Commitment to students and their well-being UNO Care Team Reports, DASH, CAPS, Accessibility Services
R	Relationships are EVERYTHING. Have a plan for what this will look like in your classes? The time investment IS worth it! "What will you teach me?" "Curious before Critical"
E	Expectations are HIGH and that is EQUITY! For students who will be successful, what will the teacher and student actions look like?
A	Accountability Structures Your students' success IS your success. What are the non-negotiables and what can be put in place to help with accountability.
T	Take advantage of TEACHING resources. TABS, UCAT teaching observations, AI Learning Lab, Digital Learning.
E	Enjoy the process and truly ENGAGE with students. They are the reason we are here.
